

Looking for An End-of-the-Year Gift Idea for a Favorite Teacher or Staff Member?

If you're looking for the perfect teacher gift, look no further. The Pike Township Educational Foundation would like to invite you to send a donation to the Foundation in honor of any Pike educator (including teachers, bus drivers, teacher aids, nurses, parent volunteers, coaches, secretaries -- in other words, ANY person who assists in the education of your children).

Your donation will place that educator's name on the Foundation's Honor Roll, and that person will receive a small token of appreciation and a congratulatory note telling him/her of your donation. Contributions to the Foundation are returned to Pike schools in the form of grants for educational programs not provided for in the schools' budgets. The Foundation is an independent, non-profit organization governed by a volunteer board of directors. Your contribution to the Honor Roll Program has the potential to impact every student in Pike Township. What greater honor can there be for an educator?

If your donation is received by **December 9, 2016**, the educators you "honor" will be notified prior to the summer break. No contribution is too small, and all contributions are tax deductible. All our Pike educators deserve a place on the Honor Roll!

Please send the name(s) of the educators being honored, the name of their school or building, the name of the student or family honoring them, the address and phone number of the donor, and a check in any amount to the:

Pike Township Educational Foundation, 5353 W. 71st Street., Indianapolis, IN 46268

(Located in Lincoln Middle School)

Questions: Call the Foundation at 387-2542

All our Pike educators deserve a place on the Honor Roll!
