

Shukla Scholarship 2019

This scholarship was created by the Shukla family to support a deserving Pike senior in their pursuit of a college degree. Instead of being only a one-year scholarship, they wanted to support the student for four years to make a bigger impact in their life. Dr. and Mrs. Shukla, along with their three children, who are Pike graduates, know that Pike students have incredible potential but that college can be unattainable for some due to monetary constraints, and they want to help a deserving student who might not get help through other means.

Scholarship Amount:
